3. We may also temporarily restrict access to accounts or funds deposited in accounts for security reasons.
4. We notify the Customer of freezing accounts or funds by email or phone unless it is impossible or unadvisable for security or regulatory reasons.

We execute a suspended order once the reason for its suspension ceases to exist. If there are doubts about whether a transfer was made with the knowledge and consent of the Customer, we call the mBank CompanyNet system user entitled to authorise orders. In that case, the Bank executes the orders as soon as possible after they are time stamped by a trust service provider and the Bank checks the electronic signature.
15. In the case of orders placed with an electronic signature, we apply the order execution deadlines subject to the provisions of paragraph 14, unless the Agreement provides for different execution deadlines.
16. We are not liable for the operation of devices for electronic signature creation (within the meaning of Regulation No. 910/2014) that are at the sole disposal of the Customer.
